

Diagram illustrating a 2D array structure with 10 rows and 20 columns. The array is divided into two main sections: a top section with 5 rows and a bottom section with 5 rows. The top section contains 10 blue squares in the first row, followed by 10 blue squares and 10 white squares in the next four rows. The bottom section contains 10 blue squares in the first row, followed by 10 blue squares and 10 white squares in the next four rows.
